April, 2018

OPENING & DEDICATION

Join us on Saturday, May 5th at 10:00am at the Woodville Community Centre to celebrate the completion of the new upstairs meeting room and the 450 square foot addition to our fitness room.

Our fine Community Centre is now 75 years old and was originally built as a school in 1942-43 to replace a smaller school that had just burnt on the same location. School classes were held in this building until 1970, and in 1972 it was purchased (given) to Woodville by the County of Kings, and used as our Community Centre since then.

Various structural improvements and facilities have been incorporated into the original building since it became a Community Centre 45 years ago. Some of the more recent changes are; main lobby & elevator (2000), new playground equipment (2007), fitness centre (2009-2010), generator, kitchen/washroom improvements, emergency comfort station (2012), new upstairs windows/blinds & heat pumps (2015), plus this latest building expansion that was completed in March.

George Foote who passed away a few weeks ago, had been president of the Woodville Community Centre for 30 plus years. He was the initiator, motivator, or one of the volunteer workers on many of these Community Centre improvements and the various social, recreational, fitness or fundraising events that the Woodville Community Centre hosts. In recognition of George's long-term community leadership and his various contributions the Woodville Community Centre will dedicate this new upper level meeting room in his honour on May 5th and call this gathering area "George's Room". George's community spirit and leadership will long be remembered!

New WCC Hall Expansion Thank-You's!!!

The new 900 square foot hall expansion on the two levels was made possible by an almost equal 3-way funding partnership and from the fine work of building contractor, Jack Enserink and many local tradespeople. A full list of the 'builders' that worked on our hall expansion will be posted on our website in mid May.

Special thanks to the 'project funders' who were the Municipality of the County of Kings, the Government of Canada (ACOA) and also the community of Woodville. Thanks also to both Fraser's Pro Home Centre (Paul Parsons) and Ledge Rock Construction Ltd (the Reimer family, Tory Lane) for their generous monetary donations.

Thanks to Beth Crosby (WCC treasurer) and Kristin VanHattem (WCC secretary) who both looked after this project's accounting, organized a short-term mortgage and made timely payments. Special thanks go to Councillor Brian Hirtle, County of Kings personnel and ACOA rep, Melissa Quinn who have been a pleasure to work with. We want to extend our collective thanks to all the tradespeople who worked very hard on this 6-month project to insure things were done properly and we met our early March completion deadline (especially to Alan & Lisa of Bear Mountain Construction who endured some November-December windchill during their framing, roofing & siding the new structure). Finally, a big thanks to Jack Enserink (New Life Developments), a community member who was the general contractor, ordered materials, coordinated the 'trades' workers and made sure we had a top quality building effort.

47TH ANNUAL WOODVILLE CHICKEN BARBEQUE

Spring has finally arrived and the weather is getting warmer, this means it is almost time for the Community of Woodville to host the Annual Chicken Barbeque.

The Boates family will once again host the Barbeque at Boates' Farm on Sunday, May 27 from 11:00am to 6:30pm or when the chicken sells out. We have added an extra hour to the end of the Barbeque to hopefully allow us to sell all the chicken this year.

This community fund raiser supports many projects in the community both at the Community Centre, on the trails, the tennis courts and in the pool.

We would ask each community member consider helping out with this event. It runs smoothly because there are many volunteers who put in hours of preparation. If you could volunteer for one shift it would be a great help. Many hands make the work enjoyable. And it is! The community spirit is evident when you come onto the Boates property. Friendships are formed and renewed each year. Come and be a part of it!

The work schedule is included with this newsletter. Please take a moment and check for your name and the time of your shift. If your name is not there and you are able to help, please let us know:

by email at bbq@woodville-kingscounty.ca
or call Alice (902)678-3928

If we have made an error, let us know so we can fix it. If you need to change your time, please contact us as soon as possible.

Once again we will be selling a limited number of advanced tickets. A full list of locations will be posted on our website in early May. We hope to find locations in the Wolfville and Halifax areas. If anyone has a suggestion for these locations please let us know.

We look forward to seeing you all.

BOOK LIBRARY

The great book lending library (red barn) that is on the fence by the swings is full of great kids and adult books.

Be sure to check it out and take one to read. You can donate to this as well.

Thanks to Katie and Phil Keddy for the great little library barn.

EASTER EGG HUNT

What a crowd we had at our annual Easter Egg Hunt. Lots of families came out to enjoy the fun and they brought 119 pounds of food and \$50 for the Berwick Food Bank.

Special thanks to Melissa, Jemma, Emma and Erin for all the work they put into it.

Every year it gets bigger and better. With George's passing, there was a photographer missing from the crowd but he would have been happy to see so many people enjoying the fun.

Our deepest condolences go out to Trina and the rest of the Foote family after the sudden passing of George Foote.

George was a great community leader and motivator, he was a man who understood the vital importance of community.

Kelly Clarke makes beautiful cards and she would be happy to send one to a community member who is celebrating, grieving or ill.

Just contact Kelly by:
