Data needs to be reported to Adopt A Highway on numbers, amounts, the strangest find, etc. We'd like your help, picking up garbage etc in Woodville.

Let's make our neighbourhood look the best. If you would like more information please email sandiwinchesterabc@gmail.com. Rain date May 5th. Happy gathering.

"COMMUNITY TREE" FUNDRAISER

Our newest fundraiser for the Woodville Community Centre is not only raising money but it is a beautiful piece of art that will highlight our history with the apple industry in the community. (photos of this can be seen on our website)

The tree looks even better with apples on it. We invite you to purchase an apple for yourself or a loved one for \$25 that will then be placed on the tree.

48TH ANNUAL WOODVILLE CHICKEN BARBEQUE

You can be sure that spring is coming when you hear talk of the Annual Chicken Barbeque.

The Barbeque is our biggest fundraiser and supports the maintenance of the building and the programs that we carry out through the year. Please mark Sunday, June 2nd on your calendar for this year's barbeque.

The barbeque work schedule can be found on our website www.woodville-kingscounty.ca. Please take a moment to review your scheduled time. If you are unable to work your schedule time please let Alice know as soon as possible. If your name is not on the schedule and you are available we are always happy to have more help. The schedule will also be posted in our May newsletter.

If you are not available to help on that day there are always before and after jobs that need to be done.

It is an event that takes lots of planning and hard work but our community spirit is very evident that day.

Friends and family look forward to enjoying a meal in the Boates' beautiful orchards.

Barbeque meetings will be scheduled in the near future.

Kelly Clarke makes beautiful cards and she would be happy to send one to a community member who is celebrating, grieving or ill.
