July 2018

## RECREATION

### Tennis

Our tennis program is a big success this year, with lots of kids enjoying the fun of being together with their friends and learning the skills of tennis. Running Monday to Friday from 8:00am to 12:00 noon for the rest of July and most of August. You can register on our Woodville website or just stop by and chat with the instructors.

Please remember to pay what you feel is fair for 3 to 4 hours of good supervision and learning for your children.

### Swimming

Swimming is into the second session from July 23rd to August 3rd. The instructors are getting great reviews from parents and kids.

### Day Camp

Our morning Day Camp will be held August 6th to 10th from 9:00am to 12:00 noon. The kids need water, a hat, sunscreen and if there are special diet concerns, please let the leaders know.

The kids play games, do crafts and have fun meeting new friends. The cost is \$5 per day for kids from 4 (going to school in the fall) and up to 12 years old. This includes crafts, games, snacks and more.

### Fitness Room

Anna is not taking memberships for the summer. She will resume in late August, early September. The Air Conditioning, that we installed seems to be a hit with all the members, and the larger space makes working out more enjoyable.

## CORN BOIL AND 75 YEAR CELEBRATION

This is a significant year for our Community Centre. The building is 75 years old and we have been operating it as a Community Centre for the last 47 years.

We are having a party! Saturday, August 18 is the date to mark on your calendar.

There will be the corn of course and hot dogs, cake and ice cream. The corn will not be ready to eat until 5:30pm, but if you come early you can help with the shucking and setting up. There are always onions to peel and cut if you don't mind some tears.

We are also planning a washer toss tournament and music. If anyone has some games to play outside, bring them along.

At the end of the evening there will be fireworks.

## CHICKEN BARBEQUE

We sold OUT! The first time in a few years. Many thanks to all of our volunteers who helped make the Annual Chicken BBQ a success this year. We had a huge learning curve in some areas because George did some things that none of us had done, so thanks to everyone for pulling together and making this year a success.

The weather was beautiful and the Boates Orchards were perfect. We missed having George come around and see how everyone was doing, with his ready smile and positive energy. We wore red ribbons in his memory and many of his family helped out on the serving line in his honour.

The bottom line was better than most years with an overall profit of over \$19,000. That sounds like a lot and it is, but our expenses were \$27,450. So, it was a great success and we thank everyone who supported the effort. It is our annual fundraiser and this year we also have a loan payment to make on our new addition.

Every year we make a few changes but the best thing about the day is the people who help make it happen and the people who come and enjoy the delicious food. We had many comments about how good the chicken was, the speed of the serving line, the music and of course the beauty of the blossoms.

**WOODVILLE COMMUNITY  
CENTRE**

**WOODVILLE BURSARY**

Each year we try to find a way to honour the high school graduates for this milestone in their lives. The graduates from Woodville are Alexis Benjamin, Nicholas Clarke and Victoria Enserink.

We offered a \$500 bursary to one successful graduate. This year Nicholas Clarke was the recipient of the bursary. Good luck to all the graduates in the next step of their lives.

**VILLAGE COMMISSION  
REPORT**

John Foote reported the purchase of a new pumper for the Waterville and District Fire Department.

The Village Commission is a great supporter of the communities it represents. This year Woodville Community Centre received a grant of \$4000. We have used the funds to install a new sound system and projector.

This will be a great asset to our Community Centre for future years.

Kelly Clarke makes beautiful cards and she would be happy to send one to a community member who is celebrating, grieving or ill.
