RECREATION

Fitness Room

The fitness room was closed for a thorough cleaning on July 14th and 15th. Members are reminded to use indoor footwear only and to make every effort to keep the area clean.

Tennis

The Monday to Friday tennis camps will continue for the rest of July and most of August. You can register on our Woodville website or just stop by and chat with the instructors. They are doing a great job and there have been a good number of participants.

The cost is -pay what you can- so it does not need to be expensive. BUT, we do pay the instructors and provide a snack each day. It is a great game for the kids to learn and a game that is played all over the world.

Swimming

Swimming lessons are ending for this year and we have had great weather and awesome instructors. Thanks Michael and Andrew!

Day Camp

Our morning Day Camp will be held on July 31 to August 4 from 9 am to 12noon. The kids need water, a hat, sunscreen and if there are special diet concerns, please let the leaders know.

We always appreciate donated snacks and craft materials. The kids play games, do crafts and have fun meeting new friends. The cost is \$25 for the week for kids from 4 (going to school in the fall) and up to 12 years old.

CORN BOIL

This year we have decided to combine the Annual Corn Boil and Garden Party. Being held on Sunday, August 13th starting at 3:00pm until the corn and cake are gone at the Community Centre.

This event is a casual gathering of community members to celebrate the summer and to honour this year's High School Graduates from Woodville, Kaitlyn Lightfoot and Josie deVries. Along with the corn there will be BBQ hot dogs and ice cream and cake for dessert.

We would like to have some organized games before and maybe after the food. We invite anyone who has a good outdoor game to bring it along and show us how to play. Interested in playing Chocolate Bar Bingo? You need to bring a chocolate bar along with you.

Bring your neighbours, family and friends. All are welcome. There is no cost.

ADDITION

The Addition/Renovation is about to begin at the Community Centre. Please be mindful that the build site is OFF limits to anyone not directly involved in the project.

There will be an opportunity to see the finished project later.

Thanks to anyone who has offered to donate time to help out on this project. It will benefit many people.

Community Picnic

Recently some families came together and organized a picnic at the Community Centre. If anyone is interested in being a part of this community gathering, please contact Sarah Scott by email at revsarahscott@gmail.com

Community Yard Sale Day

There has been some interest in having a Saturday set aside for a community yard sale. You could just set up on your own property, bring your own table and set up at the Community Centre or rent a table from the Community Centre for \$5. (contact Alice)

This would be an outside event and the date set aside is August 5, just the morning because there is a wedding there in the afternoon.

Start sorting your stuff and make a little cash
