HEART AND STROKE

Heart disease and stroke is the number 1 killer of women globally. This month the community is being canvassed for the Heart and Stroke. Donations are used to fund research breakthroughs and bring vital information to families across Canada.

If a canvasser has not visited you and you would like to donate, please donate by going online to 'heartandstroke.ca/give' or send a cheque made payable to the Heart and Stroke Foundation, and send it to:

Heart and Stroke Foundation
Attention Heart & Stroke Canvass
5657 Spring Garden Road, Box 245
Halifax, NS B3J 3R4

For information about the signs of heart attack or stroke, please visit the Heart and Stroke Foundation website at heartandstroke.ca. It is particularly important to note that women may experience the signs of a heart attack without chest pressure. They may experience shortness of breath, pressure or pain in the lower chest or upper abdomen, dizziness, lightheadedness or fainting, upper back pressure or extreme fatigue.

NEW ADDITION

The new addition is coming along well. It is presently being dry walled and will require finishing touches. This area will create additional space for the fitness equipment downstairs and a spacious meeting room upstairs.

We look forward to the finished project

BOOK LIBRARY

The great book lending library (red barn) that is on the fence by the swings is full of great kids and adult books.

Be sure to check it out and take one to read. You can donate to this as well.

Thanks to Katie and Phil Keddy for the great little library barn.

ANNUAL BARBEQUE

It is hard to believe, but it will be Barbeque time soon. This year our Barbeque will be held on Sunday, May 27th.

We always need help and there are lots of opportunities to help even if you cannot be there on the actual day. There is cabbage to shred on Thursday, coleslaw to mix on Friday, Tent set on Saturday, and of course lots of jobs on Sunday. Putting out signage, cooking chicken, making sauce, tending fires, and serving. All with smiles and good humour.

Monday is a busy day as well, there is always lots of clean up at the Boates' and at the hall.

OUTDOOR RINK

Thane has been keeping track of the conditions at the rink and Dan has been posting it on the website and our Facebook page. We have installed flags at the Community Centre and at the pond to let you know if the pond is open. The green flag will fly when the pond is open and red for closed. It hasn't been the best year for ice but fun while it lasts.

Kelly Clarke makes beautiful cards and she would be happy to send one to a community member who is celebrating, grieving or ill.
