ADVERTISING

To help offset the cost of printing and postage for these newsletters the Woodville Community Centre is offering an opportunity for local businesses to advertise or sponsor the newsletter.

If interested please contact Dan Keddy, (902)678-9590 or by email at ads@woodville-kingscounty.ca

THANK YOU

A huge thank you goes out to you, the generous people of Woodville, who donated a total of 2670lbs of food to the Berwick Food Bank during the food bank drive December 14th. Monetary donations are converted to pounds with one dollar equivalent to a pound of food. A fantastic result much appreciated by the food bank.

RELAY FOR LIFE

Saturday, February 8th from 2:00pm to 4:00pm there will be a tea held at the Community Centre hosted by the Pastor Tim's Relay for Life Team.

This group raises money each year for the cancer relay held in the spring in memory of Pastor Tim Bigelow who was a valued member of our community for many years.

SKATING POND

Have you ever driven by the Community Centre and wondered what that Red or Green Flag is on the Community Centre sign. It's there to tell you the conditions at the Woodville Skating Pond which is located behind the Fire Hall. Red means poor conditions and please stay off the ice and of course Green means GO! Conditions are good and enjoy.

Thane and Keegan Cook and family are trying their best to keep the Boates pond cleaned off for skating. Lets hope the weather cooperates and gives us lots of good ice time this winter. There is a light there for night skating as well.

Remember:

- Skate at your own risk
- Wear helmets
- Remove the nets and benches when you leave
- Turn off the light

CLASS PHOTOS

We are looking for class photos from Woodville School. We have started a gallery wall but most are older classes in 1940 or 50.

Have a look through your old albums and see how many classmates you remember. Contact Alice when you come across some of the community history.

APPLE TREE FUNDRAISER

This has been a very successful fundraiser which helps with some new projects at the Community Centre.

Local artist, Sheila Mason, has painted an apple tree on the upper lobby wall at the Community Centre. We are selling small wooden apples that you can write your name on which will be secured to the tree for \$25. Please contact Alice VanHatterm for your apple.

CRAFT MORNING

Crafters have been meeting in Georges's Room at the Community Centre since September. We welcome anyone who would like to join us either to work on a craft or even just for coffee and a chat.

It has been suggested that we bring in some people who might demonstrate a new craft to us. Any ideas or if you have a craft to share please contact Alice.

Kelly Clarke makes beautiful cards and she would be happy to send one to a community member who is celebrating, grieving or ill.
