COMMUNITY UPDATE

It has been a very busy fall at the Community Centre. Our latest project of having the parking lot paved has been completed. We would like to thank the following for their contribution toward this project:

- Government of Canada, New Horizons for Seniors Program
- Municipality of the County of Kings, Vision Grant
- Coldbrook Lions
- Mud Creek Rotary Club
- Michelin Waterville

We have also had some trees removed and trimmed around the tennis courts and play ground for safety reasons. The fence behind the WCC was replaced as it had blown down last winter during a storm.

The playground is currently closed due to some structural issues with the equipment. We hope to have some of that replaced this fall so the playground can reopen, with plans to replace everything in the spring.

On Thursday morning you can hear a happy buzz of chatter in George's room as Crafters come with whatever they are working on and join the group from 9:30am to 12noon. Coffee will be ready and everyone is welcome.

SERVICE OF REMEMBRANCE

This year our Service of Remembrance will be held outside (weather permitting) at the Community Centre on Saturday, November 11th starting at 10:45am.

Pastor Christina Bigelow will lead us as we honour our servicemen and women with the laying of wreaths and reading the names on the monument.

Please let us know of any veterans from the Community that should be acknowledged during the service. Contact us at info@woodville-kingscounty.ca

PUMPKIN CARVING PARTY

Each year we celebrate the harvest with a pumpkin carving party. This year it will be held on Saturday, October 28th from 2:00pm to 4:00pm outside at the Community Centre.

Kim Foote and her family will lead this gathering again this year. Come, design and carve your special pumpkin. There will be ribbons awarded for your creative efforts.

This event will be held outside so wear your warm clothes and bring your own carving tools. The pumpkins have been donated by Phillip and Katie Keddy.

This facility is a great benefit in our community.

WOODVILLE

WOODVILLE CHICKEN *50th* BARBEQUE

What a success our 49th Chicken Barbeque was, as we presold 2520 half chicken dinners. Community members pulled together for our first Barbeque since 2019 to provide a great experience and meal to our many supporters. The money raised from this helped with the Paving Project as well as maintaining the Community Centre throughout the year.

Now it's time to start thinking about our 50th Chicken Barbeque. As this is a huge milestone, we are looking at ways to celebrate during the day. If you have any ideas please let us know by emailing:

bbq@woodville-kingscounty.ca, All ideas are welcome.

Kelly Clarke makes beautiful cards and she would be happy to send one to a community member who is celebrating, grieving or ill.
